Kids Need Heroes

We're cooking! The date is set for what is soon to become one of Mobile's most sizzling fundraising events—the YMCA of South Alabama's 5th annual Chicken Wing Cook Off—Wing Bowl V.

**Every year better than the last.
More teams. More activities. More wings. And, way more fun.
All that's missing is YOU!**

Your sponsorship of the YMCA's Wing Bowl V will enable us to continue giving back to our community, providing assistance to children, families and individuals in need. Help us help them.

About the YMCA

THE NATION'S 2,686 YMCAs respond to critical social needs by drawing on our collective strength as one of the largest not-for-profit community service organizations in the United States.

Children and Youth

Together, YMCAs are the nation's largest provider of child care, with nearly **10,000 child care sites** across the country that provide high-quality, affordable care to more than **500,000 children**.

This year, the YMCA of South Alabama has awarded a value of **\$275,000** to children and families for after school care, day camp, swim lessons, youth sports, membership assistance and child care alone.

Last year, through our Big Brothers Big Sisters mentoring program, we provided **over 600** local "at risk" youth with positive adult role models.

Families

YMCAs help families build bonds, connect with community resources and become strong and self-sufficient.

For more than eight decades, YMCAs have offered programs that bring parents and children together. The YMCA of South Alabama currently has **100,000 children and adult program participants**.

Health and Well-being

YMCAs are collectively the nation's largest providers of health and well-being programs. YMCAs are working to promote healthy living for millions of Americans through YMCA Activate America®.

At every stage of life, YMCAs are there to help children, families and individuals reach their full potential.

The proceeds of this year's Wing Bowl will provide vital assistance for less fortunate members of our community enabling needy children and adults to participate in YMCA programs and services.
